

HOW CAN OUR SOCIAL MEDIA PROGRAMS WORK FOR YOUR BUSINESS?

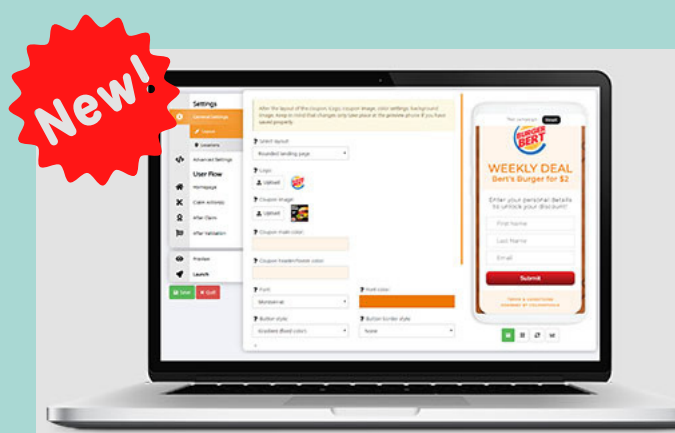

#1. EVALUATION

Our social media team will review your current social media & customer outreach programs. We help you identify the fastest way to reach new customers by utilizing all Social Media platforms. Your evaluation session includes data analysis, suggested campaign planning, target audience reporting and goals review.

#2. CAMPAIGNS

Our team members will set-up your customized social media dashboard that includes campaigns by social media channels, ad posting schedules, special promotions, KPI metrics and more. We will create and post ads, articles, menus, special promotions, events and any news that attracts new customers to your food operations.
